

## Parent & Child Aquatics

Join us for our Spring CCVI Parent (or adult caregiver) and Child Therapeutic Water Activity Class! Each four-week session will have the same curriculum, but repeat enrollment is encouraged for review and repetition of skills.

Classes are available to current CCVI students and alumni ages six months to nine years.

---

### Summer Schedule:

Mondays 3:45 to 4:30 p.m.

Session 1: June 17, June 24, July 1, July 8 and July 15

Thursdays 11:45 a.m. to 12:30 p.m.

Session 1: June 20, June 27, July 11 and July 18

### About the Class:

This therapeutic aquatics class will be led by a physical therapist. During this fun and interactive session we will guide parents (or caregivers) through water activities for family leisure times at the pool, lake, or for bath time that will enhance the development of the child. Our swimming pool is kept at a therapeutic temperature (approx. 90 degrees).

Please bring a swimsuit and towel for both you and your child, and a swim diaper for your child.

**RSVP to Alicia Richardson at [arichardson@ccvi.org](mailto:arichardson@ccvi.org) to reserve your spot.** Class size is limited. The physician permission form is mandatory for class participation and can be faxed to CCVI or brought with you.

### Cost:

Cost to families is generously underwritten by an anonymous donor.

### Location:

Children's Center for the Visually Impaired Therapeutic Swimming Pool  
3101 Main Street, Kansas City, MO 64111  
Please enter door by the flagpole.
